MCCA Business Sponsorship Opportunities

Business sponsors receive valuable referrals across local community social media pages, with MCCA tagging your business and any employees you choose to highlight.

Your business name and logo will be featured on newsletters, event flyers, social media platforms, practice uniforms worn daily by athletes and volunteers, and banners displayed inside the MCCA gym.

Throughout the season, your logo will be displayed on banners at parades and local fundraisers, giving your business exposure to thousands of families and community members.

Sponsors will receive a sponsorship plaque and recognition photo at the end of the season, along with FREE tickets to the MCCA Showcase event, where your business will receive a live acknowledgment featuring your logo, business description, and contact information.

All necessary documentation will be provided so your sponsorship can be used as a tax-deductible business write-off.
